

# ***SEEING IS BELIEVING***

**sample preparation for fluorescence microscopy**

**Light up the cell: fixed samples preparation and artifacts**

**Scale your imaging up. From cells to tissues and beyond**

**How a jellyfish changed biology: live cell imaging and fluorescence tagging**

**Speakers**

**S. Barozzi - IFOM Milan  
F. Orsenigo - IFOM Milan**

**07.06.2024**

**9:30am - 12.30 pm**

**Aula HARVEY - Ed. Golgi Spallanzani, 4P  
via Ferrata, 9 Pavia**

**OPEN SEMINAR**
