# SMART STRATEGIES FOR RETIREMENT

Building a stronger financial future

Aula IV Giurisprudenza  
University of Pavia, Central building  
10th April, 6.00 PM

Have you ever thought about your **retirement**?

It may seem like a **distant concern**, but planning for it early can make all the difference.

By **starting now**, you can take advantage of long-term benefits, maximize your savings, and secure a more comfortable retirement.

But **where** should you **begin**?

We know that financial planning can seem **overwhelming**, but don't worry —we're here to make it **simple**!

Join us for a **free** and interactive session where we'll break down the key concepts and provide practical advice.

This event is designed to give you the tools and **knowledge** you need to start planning for your future with confidence.
