What is AIESEC?

AIESEC was founded in **1948** by a group of young people from all over Europe.

We aim to promote **INTERNATIONAL COOPERATION** and **DIALOGUE BETWEEN CULTURES**.

Following our **values**, we aim to develop **young leaders** who are willing to challenge themselves to improve both themselves and civil society.

AIESEC is an **INDEPENDENT, NON-PROFIT**, and **NON-PARTISAN** *student organization*.

Today, it is the largest **YOUTH NETWORK** in the world.

This **positive impact** is shared externally through **international exchange** experiences and volunteer work within AIESEC's local committees.

What we do?

Il nostro obiettivo la PACE e lo SVILUPPO DEL
POTENZIALE UMANO

Our aspiration is for each person to work towards
discovering their own understanding of **peace** and
to act to become **THE BEST VERSION OF
THEMSELVES**, inspiring others and collaborating for
a **better future**.

Our ambition is to enable young people to develop their
LEADERSHIP, giving them a **voice** and the ability to make an
impact in today's **multicultural world**.

HOW

we believe

LEADERSHIP

is the

**fundamental
SOLUTION**

and it can be developed in **anyone,
anywhere.**

WHY

WE STRIVE TO ACHIEVE

**peace
& fulfilment**

OF HUMANKIND'S
potential.

WHAT

we enable

YOUNG PEOPLE

TO DEVELOP THEIR LEADERSHIP THROUGH LEARNING FROM

**practical
experiences**

in challenging
environments.

We achieve this through **PRACTICAL
EXPERIENCES** designed for **YOUNG PEOPLE**.

We offer and organize **INTERNATIONAL VOLUNTEER
AND INTERNSHIP EXCHANGES** for young people aged
18 to 30, allowing them to challenge themselves and
engage with different communities and cultures.
